About the Author

Mulan Huang is an educator, writer, founder of LittleStarEducation.com and lifelong advocate for children's well-being. With years of experience in K-12 education, she draws inspiration from the authentic voices and emotional worlds of children. Mulan holds a Master's degree in Education.

Born and raised in a small village in western Guangdong, China, Mulan's journey from the countryside to Silicon Valley has shaped her deep commitment to equity, empathy, and emotional literacy. Her life calling is to share high-quality educational resources with every family, making learning more accessible, joyful, and meaningful for children around the world.

Through her picture books, Mulan hopes to gently guide children and families through life's big questions—one meaningful story at a time.
