

# Grade 1 Reading Comprehension - Level 1

Name: \_\_\_\_\_

ABC

## Growing Plants

I planted seeds in my garden. I water them every day. First, small shoots come up. Then they grow bigger and bigger. Some plants will make flowers. Some will give us food to eat. I love watching things grow.

## Answer the Questions

1. What did the child plant?

☐ Trees    ☐ Seeds    ☐ Flowers

2. What comes up first?

☐ Flowers    ☐ Fruit    ☐ Small shoots

3. What will some plants give us?

\_\_\_\_\_
