# LABOR DAY

Directions: Read and understand the passage below. Answer the guide questions.

Labor Day is celebrated in America. This holiday is celebrated every September 1st. This holiday celebrates and gives tribute to all the hardworking individuals. Many people do not work during this day.

This celebration started in New York and later on was recognized as a national holiday in 1894.

This is celebrated in many ways. Some people go to pools or beaches with their families and friends. Some would be at home, they would cook hotdogs and burgers. Some would just relax at home, and just enjoy their time off of work.
