

A large, hollow number 9 is shown. A dashed line follows the outline of the number. An arrow with the number '1' indicates the starting point and direction for the first stroke, which forms the top loop. A second arrow with the number '2' indicates the starting point and direction for the second stroke, which forms the bottom curve.

This is a handwriting practice sheet for the letter 'Q'. It features two rows of three dashed 'Q's for tracing, followed by two rows of blank space for independent practice. Each row is defined by a solid top line, a dashed middle line, and a solid bottom line.
