

Name: _____

Date: _____

TALK TO THE THINGS!

Directions: Imagine the objects below could talk! If the object is non-living, color the smiley face next to it. If it's a living thing, color the sad face next to it because it's sad not to eat, move, or grow.

Remember! *Non-living things don't breathe, grow, or need food.*
