Sink or Float Adventure

Experiment: Help the diver explore the ocean! Predict which items will sink to the bottom like the diver or float on the surface like a boat. Try each item in a tub of water and check your answer!

Items to test:

1. Rubber duck
2. Seashell
3. Sponge
4. leaf
5. Metal coin

Extension Questions:

1. Which items help the diver sink deeper?

2. What do you think helps something float?
