Word Problems

Name:.....

Date:.....

You need to solve two steps to answer each question. You might need to add or subtract.
Write your final answer in the box.

4 kids are on the swings. **6** more come to play, but **3** leave after a while.

How many kids are on the swings now?

There are **10** children on the slide. **5** more climb up, but **4** go to the sandbox.

How many are still on the slide?

15 kids are playing tag. Half stop to get water. Then **4** more join the game. How many kids are playing now?
