Animal Classification

Animals

vertebrates
Animals with a backbone

Mammals

birds

reptiles

fish

amphibians

arthropods
with an external skeleton

crustaceans

arachnids

myriapods

insects

invertebrates
Animals without a backbone

poriferans

echinoderms

cnidarians

molluscs

Annelids

platyhelminthes

Animal Classification

Animals

vertebrates
Animals with a backbone

- Mammals
- birds
- reptiles
- fish
- amphibians

invertebrates
Animals without a backbone

- poriferans
- echinoderms
- cnidarians
- molluscs
- Annelids
- platyhelminthes

arthropods
with an external skeleton

- crustaceans
- arachnids
- myriapods
- insects
